

**PREGNANCY TEST/SPAYING DECLARATION**  
(SE ASIA – FEEDER/SLAUGHTER)

**PLEASE NOTE:** You are advised that this document will be presented to a DAWE Certifying Officer for the purposes of the Export Control Act No 47 of 1982 as completed. Giving false and misleading information is an offence, with penalties of up to 5 years imprisonment.

**LNC #:** \_\_\_\_\_ **Exporter:** Frontier International Northern Pty Ltd

For undertaking pregnancy testing in the Northern Territory, a registered veterinarian, or a competent pregnancy tester, accredited by the NT Government can conduct pregnancy tests. For pregnancy testing in other states cattle and buffalo (livestock) must be tested by a registered veterinarian. If spaying is the preferred method, then the declaration is to be completed by the owner/manager.

**Description/Identification of Stock**

| Property of Origin | Identification Brands/Tags/Other | No. Head | Category* | Sex** |
|--------------------|----------------------------------|----------|-----------|-------|
|                    |                                  |          |           |       |
|                    |                                  |          |           |       |
|                    |                                  |          |           |       |

\*Category: Breeder (B), Feeder (F), Slaughter (S)

\*\*Sex: Female (F), Female Spayed (F-)

**Declaration for Pregnancy Testing** (completed by Registered Veterinarian/competent pregnancy tester only if applicable)

I, \_\_\_\_\_ (name), being the vendor/authorized management representative of \_\_\_\_\_ (vendor/property name) declare the livestock described above and presented for export were all pregnancy tested on \_\_\_\_\_ (date within 30 days prior to export) by \_\_\_\_\_ (name of registered veterinarian or competent accredited pregnancy tester & accreditation number) and were declared to be not detectably pregnant.

**OR, Declaration for Spaying** (completed by Vendor only if applicable)

I, \_\_\_\_\_ (name), being the vendor/authorized management representative of \_\_\_\_\_ (vendor/property name) declare the livestock described above and presented for export were all spayed using the Willis dropped ovary technique on \_\_\_\_\_ (date not less than 30 days prior to export) by \_\_\_\_\_ (name).

**AND, please tick to indicate acceptance and confirmation:**

- I declare the livestock described above and presented for export were not treated with prostaglandin within fourteen (14) days of export, or any other drug intended or likely to cause abortion or induce premature calving.
- I declare that I have attached a list of individual identification (RFID's) of the livestock pregnancy tested/spayed as per the instructions of EAN 2013-01. Identification and reporting of the pregnancy status of livestock sourced and presented for export.
- I declare that the livestock were pregnancy tested/spayed as per the requirements of the ASEL 3.2, standards 1.2.5 & 1.4.5
